❖ Celebrated National Environmental Day

World Environment Day (WED) is a campaign celebrated every year by the people worldwide on 5th of June. This campaign was established to raise the global awareness among people about the environmental issues as well as take positive environmental actions. It is handled by the United Nations Environment Programme and was established by the United Nations General Assembly in 1972. It is a day to especially focus on the current environmental conditions to make environment better. It is celebrated by the people in more than 100 countries. It is the day when public and politicians get stimulated through awareness programs regarding environment to enhance the political attention as well as public actions. This day was created to promote people to work for environmental issues and become active agents of the sustainable and eco-friendly development worldwide. We New Gurukul education Society had celebrated World Environment Day with Office Staffs and Students.

➤ **Celebrated Children Day with Children International (NGO)**

Children's Day is celebrated in India every year with great enthusiasm on 14th of November. It is celebrated by the teachers and students in the Society with great passion and excitement. It is celebrated with lots of events and activities performed by the kids. School buildings get decorated with multicolor paints, colorful balloons and other decorative materials. Children's day is celebrated on 14th of November, the birth anniversary of Pt. Nehru, because he loved children so much. Children participate in the activities like singing songs in Hindi and English, poem recitation, speech, dance, etc to remember Chacha Nehru's great works for the country.
