Annual General Meeting

The annual general meeting was held on 03/04/2023. The meeting was attended by all the members.

After welcoming all members, worker and guest the secretary, of the organization requested the chairman to take the chair so that the meeting may be started.

After occupying the chairman, the secretary, addressed the members that, during the period ending on 03/04/2023 the organization has carried out several activities. After that the copy of the audited accounts were distributed among the members showing the receipts and payments during the referred period of Rupees.

The organization aims to ensure quality education, sustainable livelihood and employment to poor and deprived people, provide facilities and amenities with the purpose of improving their life. with the objectives socioeconomic development of the targeted beneficiaries the organization works as catalyst to fire up dormant imagination and enterprise of their derived sections and tries to put them on the threshold of upliftments and growth. Ever since its inception the organization implanting various program and projects. Its areas of activities include literacy and education, health care, livelihood enhancement through resource management, and promotion of entrepreneurship and creation of employment, environment conservation, agriculture development, women and youth development, rural infrastructure development etc.

The chairman further emphasized upon the significant achievements of the society during the period and talked about the future plans of the society. The achievements of the society during the consideration were in form of successful implementation and handling of the program as below:

The main objective of the organization is to work for the overall development of the poor, downtrodden and disadvantaged section of people without any discrimination of castes, creed or religion so that the targeted beneficiaries join together, generate a fellow feeling, work together and devote themselves positively for mutual development and the overall development of the society.

Vision & Mission of the organization

Way To Live Foundation envisions empowering resource-poor communities to organize themselves in a collaborative spirit, develop, manage and run welfare activities/schemes for the larger benefit of the community, and helping them join the mainstream of society.

Mission

It is the mission of the organization to work for sustainable holistic development by empowering rural communities particularly women and other socially ignored sections, by providing them quality education, health care, social welfare, skill development training, and creating awareness of the Conservation of the environment and inculcation of values and culture, thereby achieving the overall objective of contributing to the all-round development of the deprived section of the society.

Way To Live Foundation is working in the state of **New Delhi**. It has taken up various development programs for providing skills-building training, and activities to develop education, women empowerment, and health.

It is a matter of credit for the organization that its activities through various programs have reached more than two lakh of people particularly of the weaker sections of the rural and urban areas and made commendable changes in their living conditions. This has been made possible by the community-led development programs and networking of organizations working in the related areas besides various other factors put in by the organization.

The management information system in the organization keeps the board of members informed about all financial and program implementation activities in the organization. Regular monthly meetings are conducted with the concerned project/office staff for reviewing the program activities. Detailed deliberations are conducted in the meetings and decisions are arrived at after reaching a consensus on major issues. Reporting relationship is also maintained both upwards and downwards with regular flow of information. The board also reviews the work of the organization and gives necessary direction based on feedbacks from the field. .

As far as financial management is concerned, the organization is guided by transparency in operations. A computerized accounting System is in place and tally software is implemented for accounting purposes. A monthly financial statement is prepared to monitor the financial status of each project. All the accounts (Cashbook and ledgers) are maintained on daily basis. For different projects, separate books of accounts, records are maintained and the same are audited by an external auditor. The organization has bank accounts in a nationalized bank and further need-based bank accounts are opened and operated by the organization. Periodical reports are generated for MIS purpose and submitted to project sanctioning authorities as per guidelines.

Rapport and Liaison of the organization

The organization maintains good rapport and liaison with various government departments at all levels who have been always helping the organization in implementing programs. It also continues to maintain good liaison with all the funding organization that have supported the organizations not only in the past but also under the ongoing program. Further at the grass root level also close coordination is maintained with PRIs, CBOs, social activists, community leaders etc.

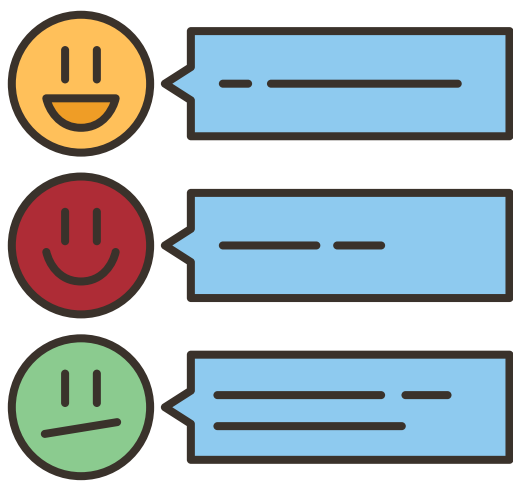

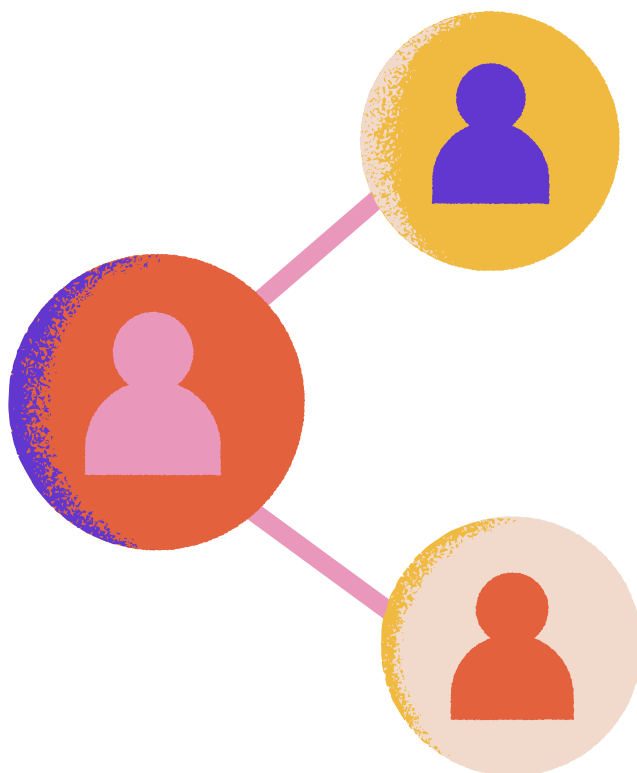

Human resource policy: A well laid out HR manual containing modern management principles guide the organization in all spheres of HR functions comprising recruitment, appointment, job responsibilities, remuneration, increment, leave entitlements, statutory compliance, up-gradation of management skills, disciplinary behavior, and resignation/termination and exit interview. These enable the individuals concerned to bring forth their best for the betterment of the organization.

Procurement Policy: A transparent procurement policy is followed by the organization for purchase of all materials required for program implementation and office requirements. Competitive quotations are invited and the same are compiled and studied before finalization of orders without making compromise for quality and price. For procurement of large scale items advertisements are issued in news papers inviting tenders. Comparative studies are conducted and negotiations are done with short listed parties to further economize on rates so that precious resources are not spent wastefully

Financial Policy: Prudent financial policy is pursued to ensure transparency. A computerized financial package (tally system), is in place which ensures accuracy. Bank accounts are maintained with nationalized banks. Further program-specific accounts are opened and operated as per guidelines and requirements, if any of the concerned projects. Annual accounts are invariably audited by Chartered Accountant and the same are published for information of all concerned.

- Animal Welfare
- Health care and Family Planning
- Advocacy and Human rights
- Legal aid
- Water and Sanitation
- Environment Conservation

Food Distribution

Through our food distribution program, we diligently worked to alleviate hunger by providing wholesome and nourishing meals to thousands of families facing dire circumstances. By ensuring a consistent supply of nutritious food, we aimed to eradicate the pangs of hunger and contribute to the overall well-being of these vulnerable communities. Our efforts were dedicated to making certain that no individual, especially children and the elderly, had to endure the pain of an empty stomach before bedtime.

Stitching Program

The stitching program played a pivotal role in empowering women by equipping them with valuable sewing skills. This not only enabled them to generate a sustainable source of income but also fostered self-reliance, allowing them to gain independence and financial security.

Purifire Distribution

We diligently distributed advanced water purifiers across communities, aiming to enhance accessibility to clean and safe drinking water sources. By doing so, we prioritized the improvement of public health and overall well-being. These efforts were not just about distributing devices; they were about ensuring that every individual, regardless of their background, had access to pure and uncontaminated water, thereby significantly contributing to the betterment of community health and vitality.

Narada Program

The Narada program focused on raising community awareness by promoting education, healthcare, and environmental conservation through various initiatives. These efforts included educational campaigns, healthcare workshops, and environmental projects, all aimed at fostering positive and lasting change in the community.

Hospitality Training

Our hospitality training program aimed to empower young individuals by offering comprehensive vocational training. This training equipped them with the necessary skills and knowledge required for successful careers within the dynamic and diverse hospitality industry, enabling them to pursue fulfilling and sustainable employment opportunities in this sector.

Fitness Program

We diligently orchestrated a series of fitness programs aimed at fostering a culture of well-being within our community. These initiatives were meticulously designed to not only promote a healthy lifestyle but also to stimulate increased physical activity, thereby enhancing the overall health and wellness of our community members.

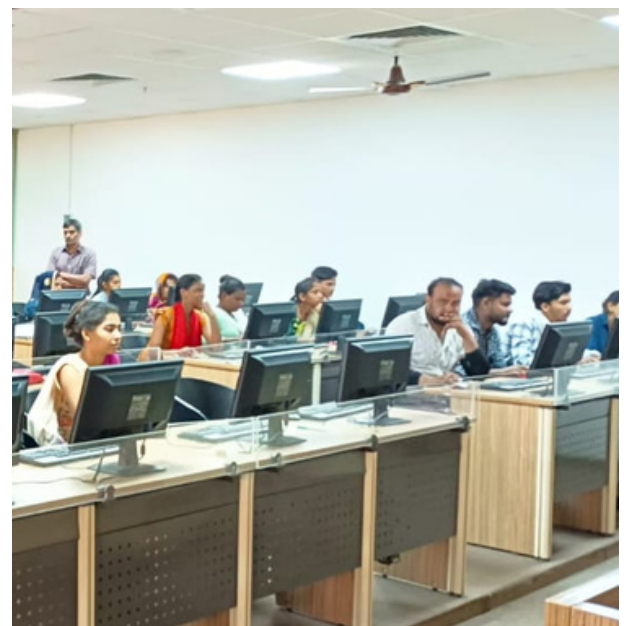

Beauty Program

The beauty program was a comprehensive initiative that provided in-depth training in a wide range of beauty and wellness techniques. Through this program, participants gained the knowledge and skills required not only to enhance their personal beauty care routines but also to empower them to launch and manage their own beauty-related businesses, thereby fostering entrepreneurship and self-sufficiency within the community.

Computer Training

Through our comprehensive computer training programs, we provided young individuals with essential IT skills, including software proficiency, coding knowledge, and digital literacy. By imparting these valuable skills, we not only prepared them to navigate the complexities of the digital age but also significantly enhanced their employability prospects. This training not only bridged the technological gap but also empowered them to pursue diverse career opportunities in the ever-evolving digital landscape.

Painting Competition

We orchestrated a vibrant and inspiring painting competition, meticulously designed to foster and nurture the boundless creativity and artistic expression of children and adolescents within our community.

Girls Self-Defense Program

Dedicated to empowering girls with essential self-defense skills, we organized comprehensive workshops and training sessions. These initiatives were meticulously designed to provide practical knowledge and techniques, boosting their confidence and ensuring their safety. Through these sessions, we aimed to instill a strong sense of self-assurance in young girls, enabling them to navigate the world with courage and resilience.

Tree Plantation

We meticulously planned and executed tree plantation initiatives, actively participating in environmental conservation efforts and diligently working to increase awareness regarding the vital role that trees play in sustaining our ecosystem.

Yoga Day

On the occasion of International Yoga Day, we organized a series of invigorating yoga sessions. These sessions were designed to not only enhance the physical well-being of our participants but also foster a deep sense of mental and emotional wellness.

15 August Celebration

We commemorated India's Independence Day with immense patriotic spirit, orchestrating a series of events meticulously designed to instill a profound sense of national pride and foster unity among our community members. Through engaging activities and heartfelt celebrations, we aimed to strengthen the bond of shared identity and heritage, reminding everyone of the significance of our freedom and the collective responsibility we bear toward our nation's progress.

Field Technician Computing and Peripheral

Our initiative focused on training individuals as field technicians, with the aim of narrowing the digital gap prevalent in rural regions. By equipping these individuals with technical expertise, we facilitated enhanced access to crucial technical support services in areas that often lack such resources. Through this effort, we worked towards ensuring that even remote communities could benefit from the digital advancements that are vital in today's interconnected world.

PMKVY (Pradhan Mantri Kaushal Vikas Yojana)

We partnered with PMKVY, a government initiative, to provide skill development training. This collaboration enhanced employability and nurtured entrepreneurial spirit among youth. Through PMKVY, we empowered them with skills for meaningful employment and entrepreneurial pursuits.

Job Fair

We To Live Foundation diligently orchestrated job fairs, meticulously bridging the gap between employers and highly skilled individuals. Through these well-organized events, we created an avenue for potential employers to interact with talented candidates, facilitating numerous employment opportunities and fostering professional growth for both parties involved.

Skill Hub

Our Skill Hub stood as a dynamic platform hosting a multitude of skill development initiatives. It provided a rich array of opportunities, enabling individuals to engage in diverse learning experiences and fostering their personal and professional growth journeys. Through tailored programs and expert guidance, participants had the chance to enhance their skills, broaden their knowledge, and ultimately, transform their lives.
